A trip of a lifetime, that is life changing to you and others!

African Vision Malawi programmes now continue under the safe hands of **gold** Youth Development Foundation and Love Support Unite. Malawi is the poorest, non-war country in the world! 85% are subsistent farmers. Our programmes aim to see people become self-sufficient by providing vocational and life skills training. You will see beautiful parts of Malawi, the changing landscapes and experience the ‘warm heart of Africa’ through meeting local people. This trip is an experience of a lifetime and not a race!

The cycle journey

Wednesday 29th April – Arrive Kamuzu International Airport, Malawi stay in Lilongwe

Thursday 30th April– Start cycling from Lilongwe to Dedza (see cave paintings)

Friday 1st May – Cycle from Dedza to Liwonde via Golomoti Road

Saturday 2nd May–Rest day at Liwonde National Park and do a Land safari. Optional sunset Water safari

Sunday 3rd May –Cycle from Liwonde to Mangochi by Lake Malawi!

ARRIVAL DAY

WEDNESDAY 29TH APRIL

Arrive in Malawi between 12 and 1pm by Ethiopian Airlines or Kenyan Airlines. Transported to Lilongwe to get fitted on your bikes at Land & Lakes and then rest at Kaduwa Imperial Hotel in Lilongwe

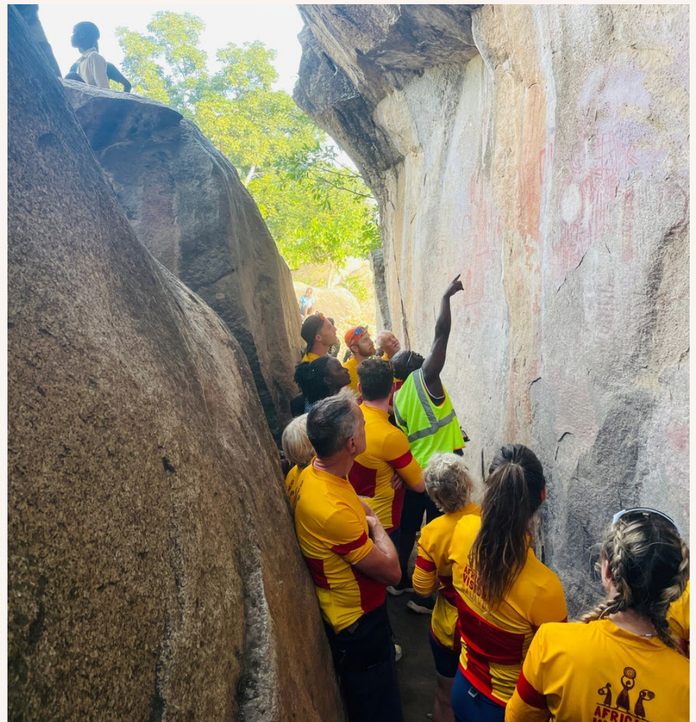

DAY 1
65km 650m ascent

THURSDAY 30TH APRIL

Transfer through Lilongwe to avoid the traffic, then cycle on partially hilly roads to the Cave Paintings at Dedza (the highest town in Malawi). Visit Dedza pottery for some souvenirs. Rest at Mapiri Country Lodge by Dedza mountain.

DAY 2

100km – 540m ascent and 1,440m decent

FRIDAY 1ST MAY

Exciting cycle down 20km escarpment on the Golomoti Road! Stop to view the carving stalls, then straight on to Liwonde National Park with part transfer and stay at Chinguni House

DAY 3
REST DAY

SATURDAY 2ND MAY

Stay at Chinguni House where you will be looked after by Land & Lakes. Early morning game drive and should see elephant, hippo, buck, diverse birdlife and if lucky lion and cheetah. Relax back at the house and an optional additional sunset water safari in the evening to see elephant swimming, hippos and crocodile.

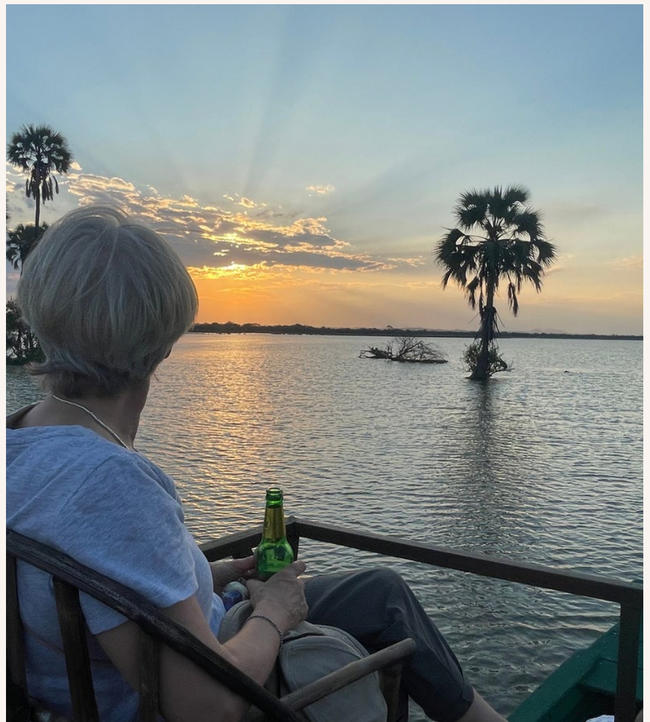

DAY 4
80km

SUNDAY 3RD MAY

After breakfast, pack your things and we cycle 80km to the tranquil Kingfisher Inn on the lake shore on the beautiful Lake Malawi. Relax by the waters edge with a gin & tonic and swim in the pool or lake.

DAY 5
115km

MONDAY 4TH MAY

Today you hop back on your bike and head towards Mua Mission, which has a cultural centre where you can learn about Malawi and the local cultural tribes. An opportunity to have an extra challenge and pull a bicycle trailer behind you! The road is pretty flat up to the final 10km which is on dirt.

DAY 6
90km

TUESDAY 5TH MAY

Heading north on the Lakeshore road, you pass an enormous Baobab tree which is at least 2000 years old! After a stop for an ice cream at Salima we have the final 30km ending on dirt to the beautiful Kumbali Lake Retreat.

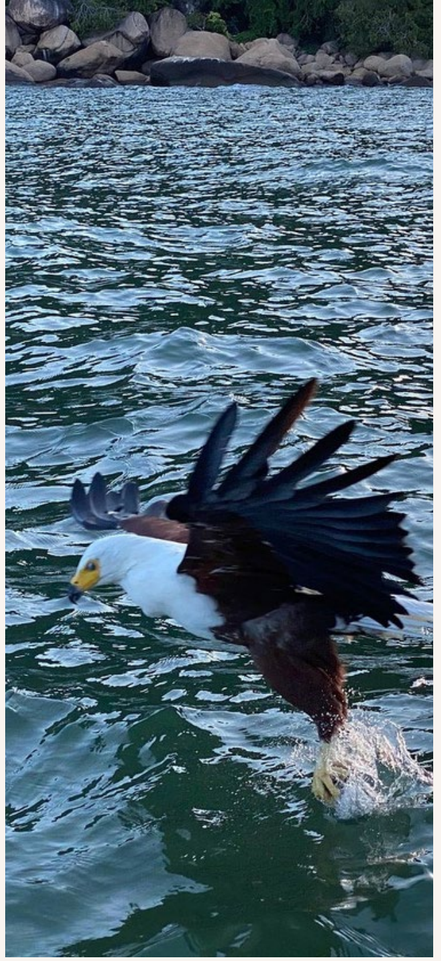

DAY 7
Rest Day

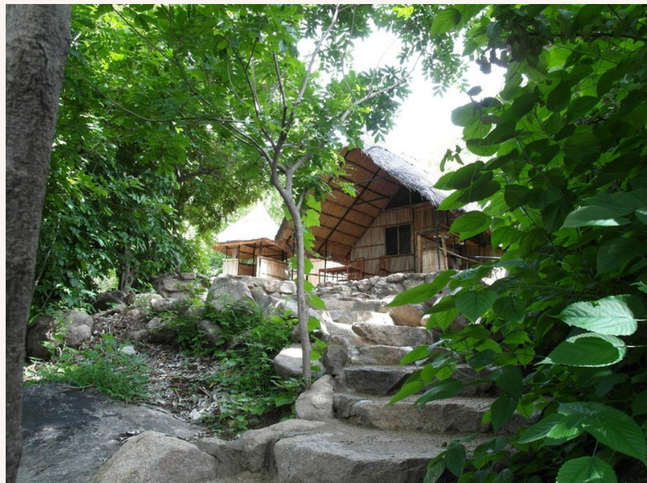

WEDNESDAY 6TH MAY

Kumbali Lake Retreat is set in a quiet national reserve, with beautiful birds and you may see baboons around. Your choice to rest, hike, visit the local village and feed the Fish Eagles, finishing with a sunset dip in the lake.

DAY 8

60km(390m ascent and 425m descent)

THURSDAY 7TH MAY

Your last cycle day! You will cycle with a stop at a craft market for 30 mins while the bikes get put on the truck. You will then transfer and get back on your bikes just after M’vera with a fantastic 5km downward cycle, but then there are ups and downs before you get to the dirt turn off heading towards Sam’s Village. Arrive to a celebration of local musicians and a well-deserved drink and evening celebration meal!

Day 9 & 10
Visit AVM programmes

SUN & FRI 8TH & SAT 9TH MAY

After your celebration meal last night and a later breakfast than other days, you will be shown around some of the programmes where vulnerable people are empowered to become self-sufficient. You will see where your well raised funds go!

THINGS YOU MIGHT LIKE TO KNOW

- ☑ **Bikes will be hired, but you can take your own if you wish.**
- ☑ **Keep yourselves safe and bring a helmet, water bottle and anything that makes you comfortable, even your saddle! We will give you a list of things to bring.**
- ☑ **Weather is generally around 15 degrees in the early hours rising to 25-27 degrees. Hope for no rain as the end of the season! (climate change can change anything though!)**
- ☑ **Cycle costs £2,150 which covers in country transport, back-up, accommodation, food, safari and bike hire. You can pay in instalments. Cost doesn't include flights, insurance and visa is free if under 30 days stay. Malawi has malaria so you need antimalarials**
- ☑ **Raise £1,000 for a collaboration of gold-youth & Love Support Unite**
  Get training! (you are always able to rest in a vehicle though)
